New Cars as low as 1.90%

When you're in the market for a new or used car, you're probably thinking about financing the vehicle. While dealerships make their own financing programs sound especially attractive, it's always a good idea to shop around for the best auto loan rates—starting with local credit unions.

Consumer Vehicles:

Just for you, our loyal members, the Credit Union is offering a great deal on new car purchases. For a limited time only, receive a rate as low as 1.90% on your next new car. We have financing up to 100% of invoice & terms as long as 48 months (4 years). Rates are dependent on the term, your credit score (risk based lending), and your ability to pay. On approved credit only. Pre-approval is available. Take your "pre-approval" letter into any dealer and drive off the lot with your new car. (Compare Costs: For example: GAP insurance / CU \$300 vs Dealer \$700)

Commercial Vehicles: Same as above, but add 1%

Commercial Real Estate Refinancing

If you are buying your shop, whether it's a retail or wholesale business, you should consider the benefits of "refinancing" with your Credit Union. The difference of a \$200,000 loan at 6%, vs 4.5%(APR) with the Credit Union, is approximately \$28,400 over 180 months (15 years). You owe it to yourself to save big. Best Benefit for Employees

PAYROLL DEDUCTION:

The best benefit you can provide your employees is the benefit of a payroll deduction plan. We can help retail and wholesale shops set up a payroll plan to help you and your employees save a part of their pay, with direct deposit into a savings or high yield money market account. It's easy. Convenient. And what a way to thank your employees for all of their hard work. Save for any purpose: down payment on a home / vacation / new or used car. Call us today. 575-622-0560.

Limited Time VISA Special: 2.9% any balance transfer. Rate good for 12 months. For new or existing VISA accounts. Call today, or go online www.thefloristfcu.org
